Hello Everyone

Received your fine letter yesterday & was happy to hear from the farm once again. Still sweating it out & don't know when I'll start heading that way. Sorry you didn't get to see my Buddy Frank for I know you would have liked him.

Things have slowed up in the returning home of G.I.'s since the loss of one of the Queens to the British. It has thrown everything off balance & will probably keep me over here for four or five more months. But I guess I can sweat it out a little longer.

I know how you feel. The Army is no life for a fellow in his right mind. They are trying to get a lot of the boys to join the

regular Army but few have joined up.
We listened to the World Series
& had a great time. Was rooting for
the Cubs but they just didn't
have it. We are now working at a
U. S. prison but don't have it to
rough. Have alot of tough soldiers
& have to watch them but, well
so as good as new. Glad to hear
that Mary walk of late's a few
pages in the flower show. Let
me know how he comes. Hope
I'll soon be seeing home. Must
sign off for now
Love to All
Pvt
P.S. tell Em I guess I can use a little
candy. Thanks a million
